Da-Lite Model B Manual Screen

Da-Lite Model B with CSR Manual Screen

Da-Lite Model C Manual Screen

DA-LITE

Model B Manual Screens

- * Perfect for classroom & meeting room facilities.
- * Easy pull-down system locks at intervals to fit a variety of projection formats.
- * Nylon bearings provide smooth quiet operation for the life of the screen.
- * Case design allows for hanging from a ceiling or flush mounting to a wall.

DA-LITE

Model B with CSR

- * CSR is a feature offered exclusively by Da-Lite to assist in the quiet controlled return of the screen into the case.
- * Easy pull-down system locks at intervals to fit a variety of projection formats.
- * Perfect for classroom and meeting room facilities
- * White powder-coated case
- * Sizes up to 8'

DA-LITE

Model C Manual Screen

- * Ideal for large size conference or training rooms.
- * Permanently lubricated steel ball bearings combined with nylon bushings

The Model B is a manual wall or ceiling-mounted screen with nylon bearings and is designed for medium-sized rooms. The pull down system locks at intervals to fit various projection formats.

The Model B with CSR is a manual wall- or ceiling-mounted screen for medium-sized rooms with a controlled screen return that ensures a quiet, controlled return to the case. Screens with CSR must be fully extended.

The Model C is a manual wall- or ceiling-mounted screen for larger rooms with permanently lubricated steel ball bearings combined with nylon bushings and heavy-duty spring assembly for smooth operation.

- * Nylon bearings for smooth, quiet operation
- * White powder-coated case
- * Sizes up to 8'
- * Includes pull cord

- * Quiet, controlled screen return to case
- * White powder-coated case
- * Sizes up to 8'
- * Includes pull cord

The Model C does not feature the Controlled Screen Return for quiet and smooth return to the case. See Model C with CSR or this feature.

- * Standard white powder-coated finish; available in black or veneer upon request
- * Includes pull cord

Da-Lite Slimline Electrol Screen

Da-Lite Cosmopolitan Electrol Screen

Da-Lite Advantage Deluxe Electrol Screen

DA-LITE
Slimline Electrol

- * Very compact case allows it to be unobtrusively placed anywhere in a room. White steel case coordinates with any room decor.
- * Patented in-the-roller motor mounting system for quiet operation.
- * Pre-wired with in line power cord switch.

The Slimline Electrol is a value engineered projection screen designed with a smaller, compact case that allows unobtrusive placement in a room, and can be mounted on a wall or ceiling. The pre-wired inline power cord provides convenience for the do-it-yourself home theater.

- * In-the-roller motor mounting system
- * Pre-wired, inline power cord switch
- * White steel case
- * Surfaces : Matte White

DA-LITE
Cosmopolitan Electrol

- * Ideal for applications where a recessed installation is not desired or feasible.
- * Patented in-the-roller motor mounting system for quiet operation.
- * Matte White up to 10' high will be seamless. High Contrast Matte White is available in sizes up to 10' high. Video Spectra 1.5 fabric available in sizes up to 8' high. High Power fabric is available in sizes up to 9' x 12' and will be seamless in sizes up to 6' high.
- * Standard with a Decora style three position wall switch.

The Cosmopolitan Electrol is a ceiling or wall mounted electric screen. A variety of finishes and veneer options are available.

- * Decora-style, three-position wall switch
- * Standard black backing retains projected brightness
- * Seamless surfaces
- * Optional floating mounting bracket allows screen to be mounted onto wall or ceiling studs and aligned left or right after installation
- * A ceiling trim kit is available that enables this screen to be easily recessed into a drop ceiling
- * Standard white powder-coated finish; available in black or veneer upon request

DA-LITE
Advantage Deluxe Electrol

- * Standard Low Voltage Control (LVC)
- * UL Plenum rated case
- * White powder-coated closure doors and case for a clean aesthetic
- * Available with SCB-100 and SCB-200 (RS-232 serial control board) or Video Projector Interface (screen trigger) built into the case
- * Decora-style, three-button wall switch
- * Standard black backing retains projected brightness
- * Seamless surfaces in all models

Designed to eliminate the extra step of finishing the screen with trim, the Advantage line of projection screens is designed with ceiling trim already in place. Once the screen is installed, the screen's trim conceals the rough opening eliminating the need to complete additional trim work.

- * Sliding installation brackets make it easy to attach the screen housing to the structure above the drop ceiling.
- * All Deluxe screens feature a closure door that hides the open space and screen in the ceiling, providing a cleaner aesthetic.
- * The Advantage Deluxe Electrol does not include the Tensioning Cable System
