

Exceptional quality, build and performance  
Canon binoculars get you closer in superb quality with a choice of magnification, weatherproofing and portability. They all offer exceptional optical and build quality for a wide range of applications and they all include Canon's renowned optical Image Stabilizer to counteract body movement and handshake for superbly steady and comfortable viewing.

**Canon 18x50 IS All Weather Binocular**

- \* Weatherproof Housing
- \* Wide Angle
- \* Porro Prism
- \* 3.7° Angle of View
- \* ±10.7° Image Stabilization
- \* Field-Flattening Lens
- \* UD Ultra-Low Dispersion Element
- \* Accepts 58mm Filters & Lens Hoods
- \* Standard 1/4"-20 Tripod Socket

# 611038.....US\$1,304.70

**Canon 15x50 IS All Weather Binocular**

- \* Weatherproof Housing
- \* Wide Angle
- \* Porro Prism
- \* 4.5° Angle of View
- \* ±10.7° Image Stabilization
- \* Field-Flattening Lens
- \* UD Ultra-Low Dispersion Element
- \* Accepts 58mm Filters & Lens Hoods
- \* Standard 1/4"-20 Tripod Socket

# 611039.....US\$1,184.20

**Canon 12x36 IS III Image Stabilized Binocular**

- \* Vari-Angle Prism Image Stabilization
- \* Eco-Friendly Lead-Free Glass
- \* Super Spectra Multicoated Optics
- \* Doublet Field-Flattener Lenses
- \* Apparent Angle of View: 60°
- \* Center Focus Wheel
- \* Runs on Two AA Alkaline / NiMh Batteries

# 611040.....US\$ 929.00

**Canon 12x36 IS II Image Stabilized Binocular**

- \* Wide Angle
- \* Porro Prism
- \* 5.0° Angle of View
- \* Closest focusing distance of 6m
- \* Weigh only 660g (excluding battery)
- \* Ideal for birdwatching, sports events, concerts and travel

# 611041.....US\$ 857.30

**Canon 10x42 L IS WP Image Stabilized Binocular**

- \* Waterproof & Fogproof
- \* Wide Angle
- \* Porro Prism
- \* 6.5° Angle of View
- \* Large diameter 42mm objective lens
- \* Closest focusing distance of 2.5m
- \* Ideal for birdwatching, stargazing and marine sports

# 611042.....US\$1,376.30

**Canon 10x30 IS II Image Stabilized Binocular**

- \* Vari-Angle Prism Image Stabilization
- \* Eco-Friendly Lead-Free Glass
- \* Super Spectra Multicoated Optics
- \* Doublet Field-Flattener Lenses
- \* Apparent Angle of View: 60°
- \* Center Focus Wheel
- \* Runs on Two AA Alkaline / NiMh Batteries

# 611043.....US\$ 527.60

**Canon 8x25 IS Image Stabilized Binocular**

- \* Porro Prism
- \* 6.6°b0 Angle of View
- \* Closest focusing distance of 3.5m
- \* Weighs only 490g (excluding battery)
- \* Ideal for birdwatching, sports events, concerts and travel

# 611044.....US\$ 326.90

**EDG**

Experience the extraordinary  
The EDG brand was born of Nikon's commitment to provide a premium lineup of the finest instruments in the field of sport optics. In combination with Nikon's many leading-edge technologies, including both optical and mechanical, these exceptional products are able to deliver a spectacular field of view, and performance that goes beyond the nature and outdoor enthusiast's wildest dreams.

**Nikon EDG series x32 Binocular**

- \* Extra-Low Dispersion Glass Elements
- \* Eco-Glass: Lead and Arsenic-Free Optics
- \* Field Flattener Lens System
- \* Roof Prisms with Phase-Correction
- \* Dielectric Multilayer Prism Coating
- \* Fully Multicoated Optics
- \* Nitrogen-Filled Fogproof / Waterproof
- \* Rubber Armored Magnesium-Alloy Housing
- \* Turn-and-Slide Rubber Eyecups

# 611050 EDG Series 8x32 .....US\$2,938.10

# 611051 EDG Series 10x32 .....\$3,057.50

**Nikon EDG series x42 Binocular**

- \* Extra-Low Dispersion Glass Elements
- \* Eco-Glass: Lead and Arsenic-Free Optics
- \* Field Flattener Lens System
- \* Roof Prisms with Phase-Correction
- \* Dielectric Multilayer Prism Coating
- \* Fully Multicoated Optics
- \* Nitrogen-Filled Fogproof / Waterproof
- \* Rubber Armored Magnesium-Alloy Housing
- \* Turn-and-Slide Rubber Eyecups

# 611053 EDG Series 7x42 .....US\$2,938.10

# 611054 EDG Series 8x42 .....\$3,063.70

# 611055 EDG Series 10x42 .....\$3,189.30

**MONARCH**  
A royal invitation to the magnificence of nature  
Decades of design experience and expertise have made Nikon a leading force in nature watching and enjoyment. Advanced technology, evidenced by an amazingly bright and sharp field of view, gives lovers of the outdoors the chance to observe nature in all its spectacular glory and treasure each vivid and captivating moment. This unique heritage has led to the widely acclaimed reliable performance of MONARCH binoculars.

**Nikon Monarch 7 series x30 Binocular**

- \* Extra-Low Dispersion Glass Elements
- \* Eco-Glass Optics: Lead / Arsenic-Free
- \* Roof Prisms with Phase-Correction
- \* Dielectric Multi-Layer Prism Coating
- \* Fully Multicoated Optics
- \* Fiberglass-Infused Composite Housing
- \* Wide Angle Viewing
- \* Nitrogen-Filled Fogproof / Waterproof
- \* Rubber Armored Body

# 611058 Monarch 7 series 8x30 .....US\$ 519.90

# 611059 Monarch 7 series 10x30 .....\$ 545.00

**Nikon Monarch 7 series x42 Binocular**

- \* Extra-Low Dispersion Glass Elements
- \* Roof Prisms with Phase-Correction
- \* Fully Multicoated Optics
- \* Nitrogen-Filled Fogproof / Waterproof
- \* Click-Stop Rubber Eyecups
- \* Rubber Armored Body
- \* 17.1 mm / 16 mm Eye Relief

# 611061 Monarch 7 series 8x42 .....US\$ 646.20

# 611062 Monarch 7 series 10x42 .....\$ 671.20

**Nikon Monarch 5 series x42 Binocular**

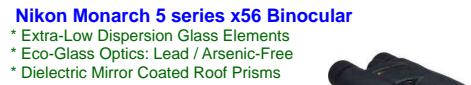

- \* Extra-Low Dispersion Glass Elements
- \* Eco-Glass Optics: Lead / Arsenic-Free
- \* Dielectric Multi-Coated Roof Prisms
- \* Fully Multicoated Optics
- \* Fiberglass-Polycarbonate Housing
- \* Nitrogen-Filled Fogproof / Waterproof
- \* Turn-and-Slide Twist-Up Rubber Eyecups
- \* Rubber Armored Body

# 611064 Monarch 5 series 8x42 .....US\$ 419.90

**Standard**

More choices for better views  
Nikon's standard lineup of sleekly designed Porro binoculars features highly advanced optical technology and intelligent designs. All models offer a bright field of view thanks to a large objective diameter, and a sharp, undistorted view up to the periphery. These versatile binoculars are great for tracking athletes heading for the finish line or the flitting movements of a bird, and are just the thing for budding nature watchers.

**Nikon Action EX series x35 Binocular**
